MATERIALS

FLASH: 1 ball color 401

Circular knitting needles: size 13 (US) or 9 mm with an interchangeable cable, 15 ¾" (40 cm) in length

Stitches:

1x1 Ribbing in the round: 1st round: * K1, P1 * repeat from * to *.

2nd and following rounds: work same as the 1st round.

Stockinette st in the round: knit across
Magic loop (see explanation)

Pom-pom

See basic stitches on:

www.katia.com/en/academy or on our YouTube channel [filkatia](https://www.youtube.com/channel/filkatia).

Magic loop: Divide the stitches in half en slide each group of stitches onto each needle, without twisting them. The working yarn should be on the back needle. You will be working across the stitches on your front needle. **Note:** before working the stitches, slide the stitches from the back needle that you won't work onto the cable, remove the needle and start to work across the sts on the

front needle. After working these sts, insert the free needle into the unworked sts and slide the knitted sts from the back needle onto the cable as you did before. Now proceed to work the sts from the front needle. Repeat this technique of working in the round, removing the needle from the side where your working yarn is, until you finish the hat.

GAUGE

Take time to check gauge

Using size 13 needles, in *Stockinette st*:
9 sts and 14 rounds = 4x4"

INSTRUCTIONS

Cast on 50 sts. Work in *1x1 Ribbing in the round*. Place a marker at the beginning of the round to keep track of the rounds. Once you have few stitches left, continue using the *Magic loop* technique.

When total length is 1 5/8" (4 cm), continue to work *Stockinette st in the round*.

When total length is 5 ½" (14 cm), **decrease** every 2 rows, as follows:

1st round: 4 sts, 1 *double decrease*, * 7 sts, 1 *double decrease* * work from * to * a total of 5 times and finish with 3 sts = 40 sts

Note: work the double decreases as follows: slip 2 sts tog, K1, and PSSO

3rd round: 3 sts, 1 *double decrease*, * 5 sts, 1

double decrease * work from * to * a total of 5 times and finish with 2 sts = 30 sts

5th round: 2 sts, 1 *double decrease*, * 3 sts, 1 *double decrease* * work from * to * a total of 5 times and finish with 1 st = 20 sts

7th round: 1 st, 1 *double decrease*, * 1 st, 1 *double decrease* * work from * to * a total of 5 times = 10 sts

Cut yarn leaving a long tail. Thread on a yarn needle and pull through all sts, gathering them **tightly**.

FINISHING (MAKING UP)

Pom-pom: cut a 4 ¾" (12 cm) piece of cardboard and make a pom-pom.

Sew the pom-pom to the top of hat.
